

New Enterprise version of PPL

kornalius, Thursday 19 October 2006 - 06:58:46

We now have an Enterprise License that will allow a Company to own PPL and allow an unlimited number of developers at a single site. The Company also get 1st priority support using a special MSN account. The price for the Enterprise License is \$299.95 USD or \$219.95 USD for an upgrade if you already have bought PPL Pro. Check our [purchase page](#) for more information.
